

# GradeCam 2.0

***Presenter: Kristoffer Barikmo, Social Studies***

## Goals for the session...

How to erase/hide classes from the previous semester

How to share assessments with other teachers in department or PLC

How to align targets/standards with test items

How to download report data for PLCs

How to monitor/track student progress for conferences and discussions with Ss / Ps

## Resources Available at GradeCam's website...

(support documents available for ALL of the following)

- Camera setup
- Create exam forms
- Create assignments
- Scan Assignments
- View Reports (Teacher and PLC reports)
- Creating additional exam forms
- Customize Assignment Questions
- Editing scanned assignments/grades/entries
- Use GradeCam with your gradebook
